Mayor Piazza stated we are here today for a Committee meeting. We only have one item on the agenda and it is for the Ordinance Committee chaired by Councilman Wayne Landry. He turned the floor over the Councilman Landry.

Councilman Landry read the agenda item, to discuss a proposed amendment to the ordinance dealing with the permitting process for mobile home parks and campgrounds. He asked Mr. Funderburk to explain the item.

Mr. Funderburk stated we were treating mobile home parks and campgrounds differently. We want to treat them uniformly so we can have the Planning Commission review each. The campground portion of the ordinance needs to have more substance to it. The amendment will do that.

-01 introduced by Mr. Francis Touchet, Jr. and seconded by Mr. Wayne Landry to recommend to the City Council at their next regular meeting on April 4, 2017 to adopt an amendment to the ordinance dealing with the permitting process for mobile home parks and campgrounds. The motion carried unanimously.

There being no further business to discuss, Mayor Piazza declared this meeting adjourned.
