REQUIREMENTS FOR SIGN/BILLBOARD PERMIT

- Complete Application with Permit Department
- Submit plans, drawn to scale with dimensions, including the following:
 - Details indicating proposed sign area, dimensions, colors, materials, graphic illustration and methods of illumination and attachment.
 - A site plan indications the location of all existing and proposed signs.
 - Building elevations with the proposed sign depicted.
- - Photographs of the proposed sign location and the existing signs.
- Submittal of above to Planning & Zoning Commission for approval before permit can be issued. (Commission meets on 3rd Tuesday of each month-subject to change)
- Billboards or signs with foundation and/or site requirements are subject to review by the City’s Building Code Enforcement Office with Administrative Fees charged to cover to review.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing the above proposed work will be complied with whether specified herein or not. The granting of a permit does not give authority to violate or cancel the provisions of any other statement, local, or state law regulating construction or the performance of construction.
