

Abbeville Main Street

Announces a Holiday Wreath Contest

Let's Spread some Christmas Cheer

Attention residents, local merchants, churches, civic organizations, local sports teams, families and individuals...Join our community in celebrating the Christmas Stroll (December 1st) and the Cajun Christmas Celebration (December 10th) both held in downtown Abbeville. This will show off your creativity, help enhance the events and you may be selected to win a prize. We are inviting everyone in town to help us celebrate the traditions of the holiday season by decorating a wreath to display outside on the fence surrounding The Depot.

- The decorating of your wreath is left to your imagination, creativity and ingenuity; however, the following includes some of the guidelines we encourage you to adhere to when planning.
- Purchase an undecorated wreath or make one of your own. (Foam, Garland Ring, or Wire Frames or Acceptable). Fresh flowers, red berries, food, candy, glass or dangerous decorations should not be used.
- Recommended wreath size should not be larger than 24". Please note your wreath will be displayed outside.
- Entry forms can be found on the Abbeville Main Street Facebook page, at the City Hall Main Lobby, the Cultural Center or The Depot.
- Wreathes and Entry Forms must be dropped off at the Abbeville Cultural Center, 200 N. Magdalen Square no later than November 28th before 4:00 p.m. 1st, 2nd and 3rd place winners will be announced at the *Cajun Christmas Celebration* on December 10th.
- Wreaths will be taken down by staff and will be available for pick up at the Cultural Center. We would like to keep them up for the month of December.
- Please email with questions at abbevillemainstreet@cityofabbeville.net
