Sec. 11-3. - Compliance with applicable laws and ordinances, inspections.

- (a) In accordance with section 5-173, no mobile home, manufactured home or modular building may be permitted in the community and historic preservation district, the residential historic district, and Abbeville Corridor No. 1.
- (b) Subject thereto, any mobile home, manufactured home or modular building brought into the city shall comply with all applicable state laws, rules and regulations, building codes and with all city ordinances which do not conflict with state law, said state statutes being adopted herein by reference. All references to state law shall include all subsequent modifications, amendments, re-designations and/or subsequently enacted laws which address the issue referenced in this chapter, without the necessity of amending the same. The city shall have the right at all reasonable times to conduct inspections of any structure regulated by this chapter to ensure compliance.
