City of Abbeville

April 2024

District Meetings provide residents the opportunity to shape the city's future.

Abbeville residents came together in full force in April to help shape the city's future through the Master Plan Open House and District Meetings.

At the Open House, residents from all districts provided valuable feedback, playing a key role in shaping the overall Abbeville Master Plan. The engagement was incredible, and we truly appreciate everyone's commitment to our community's future.

The District Meetings allowed for deeper discussions, ensuring community priorities align with residents' needs and aspirations. This input is invaluable as we move forward. Community involvement remains essential, and we'll continue to keep residents informed about future events and opportunities to participate. Together, we're building a vibrant and sustainable Abbeville!

We're always working to keep our community informed, engaged, and involved in what's happening around Abbeville. From city updates and public meetings to events and opportunities to share your voice—we want you in the loop.
