June 2024

Community Open Houses gather input on the MLK and Lyman Street corridors.

Another successful Community Open House in June, with two key meetings focused on gathering resident input. The AA Comeaux session centered on the MLK Street area, while the JH Williams meeting focused on Lyman Street. Both events saw active participation and valuable feedback.

These open houses are essential in shaping Abbeville's future, ensuring community voices guide the planning process. While turnout was strong, residents were given the opportunity to provide feedback through a survey.

We appreciate the community's engagement and look forward to plan for Abbeville's future!
